## **Fertilizer:**

Fertilizer is an essential part of our Spiritual Growth plan at FBC. We believe that immersing ourselves in God's Word can only produce greater love and service from our lives as we seek to connect the disconnected to a growing relationship with Jesus Christ.

### **Read—Matthew 1:23**

How is Jesus described in this passage?

For the past two weeks we have seen this description of Jesus, "God with Us". It is an extremely important aspect of the person of Jesus.

What does this name of Jesus communicate to us as people?

How long does Jesus being God with Us last?

### **Read Matthew 10:32-33**

What does this passage tell us?

How significant is the reality that Jesus is God with us in this passage?

It's pretty critical to consider Sunday's calls to action for This Christmas. Remember that God has gone to great lengths to clear the way for you to have a relationship with Him everyday for eternity. Receive His gift of salvation today or consider who might need to hear about His great gift and make a plan to share it with them this week.

## **Gospel Primer:**

We will resume reading the Gospel Primer in January.

We encourage you to read through Luke 1-3 and Matthew 1-2 over the course of the month of December.
