Fertilizer:

Fertilizer is an essential part of our Spiritual Growth plan at FBC. We believe that immersing ourselves in God's Word can only produce greater love and service from our lives as we seek to connect the disconnected to a growing relationship with Jesus Christ.

Keep it connected...

We learned a lot today about God's important role in the birth of Christ. We often forget about the role that God plays in our lives on a daily bases. Take some time this week and read Psalm 139:1-18, and answer the following questions.

Read Psalm 139:1-18

Who is the writer of this Psalm?

What does this Psalmist reveal about God?

How does this help the Psalmist deal with the journey of life?

How can these truths help you deal with the journey of life?

Gospel Primer:

We will resume reading the Gospel Primer in January.

We encourage you to read through Luke 1-3 and Matthew 1-2 over the course of the month of December.
